This custody account shall be maintained by Union for the sole purpose of investing Bright Directions assets and shall not be combined with the assets of Union or any other Person.

(b) Union shall provide Investment Management Services with respect to Bright Directions and the investment of money in Accounts established under Bright Directions. Union may engage Wilshire Associates to consult with it in connection with such Investment Management Services. Union shall design investment options for Bright Directions and recommend investment products and services to ensure the broadest array of reasonable investment options consistent with the Treasurer's investment objectives and the Investment Policy Statement applicable to Bright Directions. Subject to Section 6.3 below, the Treasurer will review and has sole discretion to approve Union's recommended investment options and asset allocations and will have the ultimate authority to select the funds for inclusion in the Program. The performance of Bright Directions shall be reviewed at least quarterly. All monies received as contributions to the Accounts shall be deposited by Union into Bright Directions and invested according to the respective investment option or options, as designated by the Participant in the respective Participation Agreement or Account application. The assets of Bright Directions shall be preserved, invested and expended by Union solely pursuant to and for the purposes of the Program and shall not be loaned, encumbered or otherwise transferred or used by Union for any other purposes. Notwithstanding anything to the contrary set forth above, Union shall have a commercially reasonable amount of time to implement any changes in the investment objective, policies and practices for Bright Directions resulting from changes to the Treasurer's Investment Policy Statement communicated to Union.

6.3 Investment of Bright Directions. Union shall manage the investments of Bright Directions in a manner such that the investment options and the underlying portfolios of investments of Bright Directions (the "Underlying Portfolios") shall be in compliance with Applicable Law and the Treasurer's Investment Policy Statement at all times. In managing the investments of Bright Directions and the Underlying Portfolios, Union agrees that it will act with the skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims. Each Underlying Portfolio shall be invested in Permitted Investments. The Permitted Investments and the allocation percentages or guidelines established by Union for the Underlying Portfolios' assets shall be approved by the Treasurer's Office in writing prior to their implementation. Union shall seek to manage each Underlying Portfolio to seek to achieve the benchmarks set forth in the Treasurer's Investment Policy Statement. Should Union or the Treasurer's Office wish to remove or replace any of the investment funds in the Underlying Portfolios, the Treasurer shall have the ultimate authority to select the funds for inclusion in the Program, provided that the Treasurer will consider the funds recommended by Union. The Treasurer shall, to the extent feasible and in the best interests of Participants and Beneficiaries, seek to utilize a fund with an expense structure that is comparable to the expense structure of the fund that is being replaced. Union shall be responsible for determining that the investment objectives, policies and practices of any included funds in which assets are invested are consistent with the Treasurer's Investment Policy Statement and Applicable Law. Union shall annually provide to the Treasurer's Office, within thirty (30) calendar days after the end of each fiscal year for the Treasurer's Office, a certification that the investments of Bright Directions and the Underlying Portfolios are, and at all times during the year have been, in compliance with the Treasurer's Office Investment Policy Statement and Applicable Law. In making investment decisions for Bright Directions and the Underlying Portfolios, Union shall comply with Applicable Law, and shall take into account such information concerning Participants and Designated Beneficiaries as it believes may be consistent with the requirements of Section 529 of the Code and any guidance thereunder provided by the U.S. Treasury Department and/or the Internal Revenue Service. Neither the Treasurer's Office nor Union guarantees any return of amounts invested by Participants or Giftors or any income on such amounts.

6.4 Allocation Guidelines. Union shall invest the assets in each of the Underlying Portfolios so that such assets are allocated as established by Union and approved by the Treasurer's Office from time to time (the "Allocation Guidelines"). The initial Allocation Guidelines shall be the allocation guidelines established by Union and approved by the Treasurer's Office as set forth in the Treasurer's Investment Policy Statement. By November 1 of each calendar year during the Term, Union shall submit to the Treasurer's Office, for the Treasurer's Office's consideration, Union's recommended Allocation Guidelines for the following calendar year. Union shall make such recommendations consistent with the objectives of the College Savings Pool, the Program and the investment options as set forth in the Treasurer's Investment Policy Statement. At the request of

the Treasurer's Office, Union shall consult with the Treasurer's Office and may thereafter propose revised Allocation Guidelines for the following calendar year. On or before December 1 of each such calendar year, the Treasurer's Office shall either notify Union that the Treasurer's Office approves Union's recommended Allocation Guidelines or shall deliver to Union revised Allocation Guidelines for such year that the Treasurer's Office deems appropriate in the discharge of the Treasurer's Office's statutory obligation. Notwithstanding anything to the contrary set forth above, the Treasurer's Office may, upon thirty (30) days' written notice to Union, change the Allocation Guidelines at any time for application during the remaining portion of the calendar year. In the event of any such change by the Treasurer's Office, Union shall have a commercially reasonable period of time to implement any such changes in Allocation Guidelines.

6.5 Contributions; Accounts. Beginning on the Program Start Date, Union shall establish for each Participant at least one individual Account in Bright Directions, each with the Investment Option and for the Designated Beneficiary as designated by the Participant in the Participation Agreement or Account applications, for the receipt of contributions made on behalf of the Designated Beneficiary by such Participant and any Giftors. Contributions received from Participants and Giftors shall be processed in accordance with the standards set forth in **Exhibit D**.

6.6 Determination of Net Asset Value.

(a) Net Asset Value ("Net Asset Value" or "NAV") of the Underlying Portfolios shall mean the value of one unit of the Underlying Portfolio and shall be determined by Union as of the close of regular trading on the New York Stock Exchange on each Business Day. NAV shall be computed by subtracting the value of the liabilities (including the Service Fee and any ongoing sales charges for each fee structure) from net assets of such Underlying Portfolio and dividing such amount by the number of outstanding units of such Underlying Portfolio. The Net Asset Value for the respective Underlying Portfolio applicable to a particular request by the Treasurer's Office shall be the Net Asset Value next calculated for such Underlying Portfolio after the request was received. Net Asset Value of any particular Account shall be determined by multiplying the Net Asset Value of the respective Underlying Portfolio by the number of units attributable to the Account Balance of such Account.

(b) The assets of Bright Directions and the Underlying Portfolios shall be valued as of the close of each Business Day. The Net Asset Value shall be determined by appraising each Underlying Portfolio's investments at the net asset value of each mutual fund. All relevant prospectus and ancillary information shall be provided to the Treasurer's Office and remain on file. Such information shall be provided to the Treasurer's Office on a regular basis and upon the occasion of any material change.

6.7 Reports and Financial Information. Union shall keep adequate records of the Account Balance with respect to each Account, and compile, prepare and deliver to the Treasurer's Office and to Participants on a timely basis the detailed financial information, reports and statements required of Union as a manager under the Act and by this Agreement, including such information as is necessary for the Treasurer's Office to prepare any filings and reports to be delivered under the Act. In particular, Union shall prepare and deliver to the Treasurer's Office, within ten (10) business days immediately following the end of each calendar month, reports in a form satisfactory to the Treasurer's Office: (i) on the holdings and the total rate of return of Bright Directions and the

Underlying Portfolios; (ii) the Net Asset Value and total value of Bright Directions and each Underlying Portfolio at the first day and last day of such month; (iii) the purchases and sales during such month of Permitted Investments; and (iv) any other information that the Treasurer's Office reasonably requests.

6.8 Proxy Voting. Decisions on voting of shares of all Funds in the Underlying Portfolios will be made by Union, unless otherwise directed by the Treasurer.

6.9 Receipt of Disclosure Documents. The Treasurer's Office acknowledges that it has received a copy of the prospectus for each of the Funds in the shares of which the Underlying Portfolios are expected to be invested.

6.10 Account Information and Performance Reporting. Union shall act as a clearinghouse for account information and performance reporting.

7. MARKETING SERVICES.

7.1 General Marketing Services.

(a) During the Term, Union shall work with the Treasurer's Office to create, evaluate and update annually a marketing plan for Bright Directions (the "Marketing Plan") and shall provide marketing services to implement the Marketing Plan in a manner which is commercially reasonable and in compliance with this Agreement and all Applicable Laws. Union shall not actively market any other 529 plan as part of its wholesalers' presentations to Illinois advisors. The focus of presentations to Illinois advisors will be limited to Bright Directions, provided however, that if an Illinois advisor has clients who are residents of Nebraska or specifically requests information about the College Savings Plan of Nebraska, Union is not prohibited to providing requested information. Union's Marketing Services will include, but not be limited to, the following: financial planner recruiting, consumer broadcast advertising and cooperative sales communication. Union may engage the services of Snitily Carr to develop a marketing campaign and program materials. (b) Union agrees to retain Northern Trust as distributor for Bright Directions. Union will additionally utilize 2.5 full-time equivalent employees to act as wholesalers for Bright Directions. If during the term of this Agreement, the Treasurer and Union agree that it is in the best interest of Bright Directions to terminate the services of Northern Trust, Union is authorized to retain Nelnet Capital, LLC to act as distributor.

7.2 Review and Approval of Program Materials.

(a) Union shall not finalize, distribute or otherwise use any Program Materials until such Program Materials have been approved in accordance with this Section 7.2 it being understood that the Treasurer has ultimate control over the content of all Program Materials.

(b) Union shall work with the Treasurer on the development of Program Materials and Union shall submit all Program Materials to the Treasurer's Office for written approval by a

Treasurer's Office Representative prior to finalizing such Program Materials. All Program Materials submitted will be developed in a format that is reasonably consistent with the publications of the Treasurer's Office. The Treasurer's Office Representative shall promptly review all Program Materials so submitted. The Treasurer's Office shall make reasonable efforts to review materials submitted within seven (7) business days.

7.3 Content of Program Communications.

(a) The letterhead on all Program communications sent from Union to Participants ("Program Communications") will be the letterhead of Bright Directions rather than that of Union. The letterhead of Bright Directions shall prominently identify the Treasurer's Office.

(b) During the Term of this Agreement, Union may be identified as the "Program Manager" or a "Partner" with the Treasurer's Office for Bright Directions, and Union's brand name and logo may be displayed on all Program Communications including the following: (i) each application to open an Account and each Participation Agreement; (ii) each Program Disclosure Statement and any disclosure supplemental thereto; (iii) each Account statement; (iv) each pamphlet and other materials advertising Bright Directions; (v) each advertising of Bright Directions in newspapers, periodicals and newsletters; and (vi) other Program Materials with the prior written consent of a Treasurer's Office Representative. In the event that the \$10,000 up front State tax deduction is increased by the Illinois General Assembly, the Treasurer may unilaterally terminate the contract for the management of the Program by providing notice to the Bank one year prior to the termination.

13.9 Effect of Termination; Post-Term Events.

(a) Successor Contractor. If the Initial Term or any Extension Term of this Agreement expires and is not extended or if this Agreement is terminated by the Treasurer's Office, the Treasurer's Office may, at its sole discretion, select a new contractor (the "Successor Contractor") for Bright Directions and all subsequent contributions to Accounts shall be made to and held by the Successor Contractor. The Treasurer shall determine, at his or her sole discretion, whether existing Accounts (as hereinafter defined) will remain with Union or be transferred to the Successor Contractor pursuant to an agreement between Union and the Successor Contractor. Union shall cooperate with the Treasurer's Office and the Successor Contractor in a commercially reasonable manner in order to facilitate such selection and transition.

(b) Post-Term Agreement to Continue Services. If the Initial Term or any Extension Term of this Agreement expires and is not extended or if this Agreement is terminated by the Treasurer's Office, the Treasurer may, at his or her sole discretion, permit Union to continue to provide the Services in accordance with the provisions of this Agreement as though such provisions were still applicable, and permit Union to continue to receive the Service Fee, with respect to the Account Balance of Accounts in existence as of the last day of the Term (the "Existing Accounts"). Participants and Giftors shall not be permitted to make additional contributions to the Existing Accounts.

(c) Transfer of Existing Accounts. If the Treasurer's Office determines in its sole discretion that Union's performance of the services with respect to the Existing Accounts is not in the best interests of the participants, the Treasurer's Office shall direct Union to transfer such Existing Accounts to the Successor Contractor. At the time of such a transfer, Union shall use commercially reasonable efforts to effect as expeditiously as possible an orderly transition of Union's duties and responsibilities as to such Existing Accounts to the Successor Contractor in accordance with Applicable Law (including without limitation (i) transferring the assets in the Existing Accounts, or liquidating such assets in an orderly fashion and transferring the proceeds thereof, and (ii) delivering the Account records to the Treasurer's Office). Union shall maintain copies of the Program Records and Account records for recordkeeping and regulatory purposes only and subject to the provisions of this Agreement including Sections 15 and 16.

(d) Post-Term Restrictions. Upon termination of this Agreement, Union agrees that it shall not make any direct solicitation of any Participant, Designated Beneficiary, Gifter and/or Prospect except in accordance with Section 7.5. Union further agrees that it shall not use the Program Records, including Union Program Records, after termination of this Agreement for any purpose other than as may be required in connection with its Services with respect to the Existing Accounts.

14. CONTACT PERSONS; MEETINGS.

14.1 Contact Persons. The Treasurer's Office and Union shall each appoint an individual who shall serve as a contact person for the purpose of carrying out this Agreement and who shall be authorized to act on behalf of his/her respective party as to the matters pertaining to this Agreement. Effective upon execution of this Agreement, the initial contact persons shall be those set forth in **Exhibit G**. Each party shall notify the other, in writing, as to the name, address and telephone number of any replacement for any such designated contact persons or any additional contact person or replacement thereof.

14.2 Meetings. The contact persons shall meet as frequently as any of them deem advisable and at least monthly during the first six calendar months of the Initial Term, and thereafter at least once during each calendar quarter. Such meetings shall be held in Springfield, Illinois, Chicago, Illinois or at such other location to which the parties may agree.

15. OWNERSHIP AND CUSTODY OF PROGRAM RECORDS AND MEDIA MATERIALS; RELATED INFORMATION.

15.1 Program Records. The following shall constitute the "Program Records":

(a) all written and electronic records, books, data, documents, reports, analyses, designs, drawings, correspondence, papers and files for or relating solely or primarily to Bright Directions, including all Program Materials, regardless of by whom created and whether or not in the Treasurer's Office's or Union's possession, including, without limitation, all lists, compilations and summaries of Participants and/or Designated Beneficiaries and/or Giftors and/or Prospects ("Program Lists");

(b) the logo, any slogan developed for and any trade names, trade marks or service marks in connection with Bright Directions;

(c) any copyrighted materials relating solely or primarily to Bright Directions;
and

(d) the web site content and marketing, advertising and public relations materials that are specific to Bright Directions.

15.2 Ownership of Program Records; Union Internal Information. The Treasurer's Office shall own, and as such shall have all right, title, interest in and beneficial ownership of, the Program Records. Although Union shall not own the Program Records, Union shall be and remain the sole owner of all of its internal records, books, documents, files, know-how and other intellectual property that are not Program Records and developed and utilized by Union (including without limitation investment allocation methodologies and know-how, and any software and analytical tools as are otherwise owned by Union and utilized and developed by or for Union for the management, marketing and administration of the Program); provided, however, that the Treasurer's Office shall not be restricted in any manner in connection with the continuation of the Program after the Term of this Agreement in using the same or substantially the same structure of Bright Directions or portions thereof (including the investment and allocation guidelines components) as have been in effect prior to termination or expiration of this Agreement, and Union shall be deemed to have granted the

Treasurer's Office a non-exclusive, perpetual, royalty-free, non-transferable license to so use any or all of the foregoing.

15.3 Use and Custody of Program Records. The Treasurer's Office shall be deemed to have granted to Union during the Term, and after termination or expiration of this Agreement only to the extent that Existing Accounts are not transferred to a Successor Custodian, a non-exclusive, royalty-free non-transferable license to use the Program Records in connection with its Services under this Agreement. All Program Records shall be readily accessible to the Treasurer's Office, as applicable, at Union's expense, in a commercially reasonable manner. To the extent consistent with Section 15.5 below, Union will not be required to make the Program Records available at any location other than its offices.

15.4 Ownership and Use of Derivative Materials. The Treasurer's Office shall also be deemed to have granted Union and its Affiliates a non-exclusive, perpetual, royalty-free non-transferable license to (i) create web site, marketing, advertising or other media-related materials based on or derived from the Program Disclosure Statement and the web site content, marketing, advertising and public relations materials that are specific to Bright Directions (collectively, the "Media Materials") and (ii) to use (including the right to modify or create derivatives of) the format of the Media Materials and Program Materials ((i) and (ii) collectively constituting the "Derivative Materials") so long as the "look and feel" (i.e., the style, appearance and format) of such Derivative Materials, when taken as a whole, creates a separate and distinct commercial impression to recipients from that of the Media Materials and Program Materials and so long as such Derivative Materials are used by Union in a manner in which the public will not otherwise confuse such Derivative Materials as being related to Bright Directions. It is expressly understood that the textual description of Section 529 programs and various matters related thereto contained in the Derivative Materials may be substantially similar to corresponding textual descriptions contained in the Media Materials and Program Materials. The Treasurer's Office acknowledges that Union shall have all right, title and interest in, and beneficial ownership of, all such Derivative Materials.

15.5 Records Retention; Audit Rights. Union shall maintain during the term of this Agreement and for a minimum of three years after the termination of this Agreement, adequate books, records and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this Agreement. This Agreement and all books, records and support documents related to this Agreement shall be available for review and audit by the Illinois Auditor General and the Treasurer's Office. Union agrees to cooperate fully with any audit conducted by the Auditor General or the Treasurer's Office and to provide full access to all relevant materials. Failure to maintain the books, records and supporting documents as required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement.

16. CONFIDENTIALITY.

16.1 Confidential Information. All Confidential Information (as defined below) shall be proprietary and confidential and held in strict confidence and not be disclosed to any third party (except for disclosures to Participants or Designated Beneficiaries of Confidential Information relating to them or their Accounts). Any Confidential Information acquired during the course of this

Agreement shall continue to be treated as Confidential Information. "Confidential Information" shall mean any data, information or records relating to Bright Directions. Notwithstanding the foregoing, "Confidential Information" does not include any (i) information already known or independently developed by the recipient, (ii) information in the public domain through no wrongful act of the recipient, (iii) information received by the recipient from a third party who was free to disclose it and (iv) information that is required to be disclosed as a matter of law. This Section 16.1 shall not restrict any disclosure required to be made by Applicable Law, except that, unless required by law, no such disclosure shall be made sooner than five (5) Business Days immediately following the other parties' receipt of written notice, and such notice will include a copy of any relevant law, court order or other order. In the event any party is required by law to disclose Confidential Information of the other parties, such party shall afford to the other parties a reasonable opportunity to participate and object, at the other parties' expense, to any such disclosure.

16.2 Use by Employees and Agents. The requirement of confidentiality under this Agreement also applies to the employees and agents of the parties hereto. Each party hereto shall use its best efforts to ensure that its employees and agents adhere to the confidentiality requirements set forth herein. Use and disclosure of proprietary and Confidential Information by employees and agents to the extent necessary to carry out the terms and purposes of this Agreement is acceptable.

16.3 Affiliates. No Confidential Information may be shared with Affiliates except to the extent necessary to provide the Services under this Agreement.

16.4 Program Lists. Union specifically agrees that it shall not, and shall cause its affiliates not to, sell, provide or otherwise disclose information from, any Program List to any third party unless otherwise directed to or approved by the Treasurer's Office or required by Applicable Law.

17. LIABILITY AND INDEMNIFICATION. Union shall indemnify and hold the Treasurer harmless from and against any and all losses, including but not limited to, losses due to the negligent acts or omissions or willful misconduct of Union, its employees or agents. Union has a duty to select, with due diligence, all other entities which shall be necessary to implement this Agreement. Union shall establish and enforce reasonable procedures to assure the Treasurer of the performance by all other entities of the services necessary to implement this Agreement.

18. INTERNAL CONTROLS. Union shall annually provide the Treasurer's Office with a copy of a mutually acceptable audit attesting to the adequacy of Union's internal controls utilized in the delivery of the Services pursuant to this Agreement.

19. NOTICES. All notices required or permitted to be given under this Agreement shall be in writing and shall be deemed duly given upon delivery if personally delivered, upon confirmation of transmission if sent by facsimile transmission, upon the third Business Day after mailing if sent by registered or certified mail, postage prepaid, and upon receipt if sent by reputable courier, as follows, or to such other address or Persons any party may hereafter designate by notice to the other parties hereunder:

20. WAIVER. The terms and conditions hereof may be waived only by a written instrument signed by the party waiving compliance. The failure of the Treasurer's Office or Union to insist on strict compliance with this Agreement, or to exercise any right or remedy under this Agreement, shall not constitute a waiver of any rights provided under this Agreement, nor estop any of them from thereafter demanding full and complete compliance nor prevent any party from exercising such a right or remedy in the future.

21. NO THIRD PARTY BENEFICIARIES. Except as otherwise specifically provided for herein, nothing in this Agreement is intended or shall be construed to give any person, other than the parties hereto, their successors and permitted assigns, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein, provided that the foregoing shall not deprive any Participant or Designated Beneficiary of any right, remedy or claim which such person may have under Applicable Law, independent of this Agreement.

22. NO PARTNERSHIP; INDEPENDENT CONTRACTOR. Nothing contained in this Agreement shall be deemed or construed to create the relationship of a joint venture or partnership between Union and the Treasurer's Office. Union shall have no authority to bind the Treasurer's Office without the Treasurer's Office's written consent. Union is an independent contractor and shall be free, subject to the terms and conditions of this Agreement, to exercise judgment and discretion with regard to the conduct of its business, including, without limitation, performing management, investment advisory and other services for qualified state tuition savings and prepaid tuition programs other than Bright Directions and for other clients.

23. HEADINGS; EXHIBITS AND SCHEDULES. Headings and subheadings of provisions of this Agreement and the above Table of Contents are solely for the convenience of reference and are not a part of this Agreement and shall not affect the meaning, construction, operation or effect hereof. The attached Exhibits and Schedule are a part of this Agreement.

24. GOVERNING LAW. This Agreement shall be governed in all respects by the laws of the State of Illinois.

25. ENTIRE AGREEMENT. This Agreement incorporates all the documents referenced in Section 2 of this Agreement and thereby supplemented sets forth the entire understanding of the parties hereto with respect to the subject matter hereof and incorporates, merges and supersedes any and all prior understandings and communications, whether written or oral, with respect to such subject matter.

26. SURVIVAL. Sections 7.5, 15, 16 and 17 of this Agreement shall survive the termination or expiration of this Agreement.

27. AMENDMENT. This Agreement, including the Exhibits and Schedules hereto, may be amended only if such amendment is in writing and signed by the Treasurer's Office and Union.

28. COUNTERPARTS. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which taken together shall constitute one and the same instrument.

29. FORCE MAJEURE. Except for payment obligations hereunder, neither party shall be liable to the other for any failure to comply with the terms of this Agreement, for any delays in the performance thereof or for failure to perform under the terms and provisions of this Agreement, where such failure or delay is due to causes beyond such party's reasonable control including, but not limited to, acts of God, acts of civil or military authority, fires, floods, suspension of trading, epidemics, wars, riots, strikes and delays in transportation.

30. EXPENSES. Except for costs and expenses specifically assumed by a party under this Agreement, each party hereto shall pay its own expenses incident to this Agreement and the transactions contemplated hereunder, including all legal and accounting fees and disbursements.

31. ASSIGNMENT. Each term and provision of this Agreement is binding and enforceable against and inures to the benefit of any successors of the Treasurer and any successors of Union, but neither this Agreement nor any of the rights, interests or obligations is assignable without the prior written consent of the other party. Any attempt by Union to transfer or assign any rights or obligations related to the provision of services under this Agreement, without the prior written consent of the Treasurer, shall render this Agreement voidable by the Treasurer. The Treasurer may unilaterally bind any successor of the provider to the terms and conditions of any Agreement between the parties.

32. DISASTER RECOVERY AND BACKUP FACILITIES. Union shall prepare and test a plan for recovery of financial transactions and related information in the event of a disaster or system failure. Union shall furnish a copy of the plan, test results and the results of the annual audit of the disaster recovery plan to the Treasurer.

33. STATE CERTIFICATIONS AND DISCLOSURE FORMS. Prior to the commencement of this Agreement Union shall provide the Treasurer with a fully executed copy of the State Certifications, a Financial and Potential Conflict of Interest Disclosure Form, and a Contract Disclosure Form, all of which are attached hereto and incorporated herein as Appendix A. Union shall also provide the Treasurer with fully executed copies of State Certifications and Disclosure Forms by any subcontractors; and Union shall provide for its Affiliates such procurement documents as may be required by the Treasurer's Procurement Rules. ILLINOIS PUBLIC ACT 91-0607

Public Act 91-0607

SB1014 Enrolled

LRB9105628DHmg

AN ACT concerning the State Treasurer.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Treasurer Act is amended by adding Section 16.5 as follows:

(15 ILCS 505/16.5 new)

Sec. 16.5. College Savings Pool. The State Treasurer may establish and administer a College Savings Pool to supplement and enhance the investment opportunities otherwise available to persons seeking to finance the costs of higher education. The Treasurer, in administering the College Savings Pool, may receive moneys paid into the pool by a participant and may serve as the fiscal agent of that participant for the purpose of holding and investing those moneys.

"Participant", as used in this Section, means any person that makes investments in the pool. "Designated beneficiary", as used in this Section, means any person on whose behalf an account is established in the College Savings Pool by a participant. Both in-state and out-of-state persons may be participants and designated beneficiaries in the College Savings Pool.

New accounts in the College Savings Pool shall be processed through participating financial institutions. "Participating financial institution", as used in this Section, means any financial institution insured by the Federal Deposit Insurance Corporation and lawfully doing business in the State of Illinois and any credit union approved by the State Treasurer and lawfully doing business in the State of Illinois that agrees to process new accounts in the College Savings Pool. Participating financial institutions may charge a processing fee to participants to open an account in the pool that shall not exceed \$30 until the year 2001. Beginning in 2001 and every year thereafter, the maximum fee limit shall be adjusted by the Treasurer based on the Consumer Price Index for the North Central Region as published by the United States Department of Labor, Bureau of Labor Statistics for the immediately preceding calendar year. Every contribution received by a financial institution for investment in the College Savings Pool shall be transferred from the Selling Agent to a location selected by the State Treasurer within one business day following the day that the funds must be made available in accordance with federal law. All communications from the

State Treasurer to participants shall reference the participating Selling Agent at which the account was processed.

The Treasurer may invest the moneys in the College Savings Pool in the same manner, in the same types of investments, and subject to the same limitations provided for the investment of moneys by the Illinois State Board of Investment. To enhance the safety and liquidity of the College Savings Pool, to ensure the diversification of the investment portfolio of the pool, and in an effort to keep investment dollars in the State of Illinois, the State Treasurer shall make a percentage of each account available for investment in participating Selling Agents doing business in the State. The State Treasurer shall deposit with the participating financial institution at which the account was processed the following percentage of each account at a prevailing rate offered by the institution, provided that the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of the total amount of each account for which the current age of the beneficiary is less than 7 years of age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and less than 12 years of age, and 50% of the total amount of each account for which the current age of the beneficiary is at least 12 years of age. The State Treasurer shall adjust each account at least annually to ensure compliance with this Section. The Treasurer shall develop, publish, and implement an investment policy covering the investment of the moneys in the College Savings Pool. The policy shall be published (i) at least once each year in at least one newspaper of general circulation in both Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all participants. The Treasurer shall notify all participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii) certain room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section 481 of the Higher Education Act of 1965 (20 U.S.C. 1088) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at

least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on an actuarial estimate of what is required to pay tuition, fees, and room and board for 5 undergraduate years at the highest cost eligible educational institution. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all participant accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating Selling Agent at which the account was processed. No interest in the program may be pledged as security for a loan.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a

qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 52). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited or paid monthly to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of \$1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

BRIGHT DIRECTIONS COLLEGE SAVINGS PROGRAM

INVESTMENT POLICY STATEMENT

For the year ended June 30, 2006

1.0 Statement of Purpose of Investment Policy: The purpose of this statement is to assist contractors retained by the Treasurer to provide services related to the management of the assets of the Illinois College Savings Pool that are contributed to the Bright Directions College Savings Program (the "Program") and to assist the Treasurer's Office in evaluating the performance of such contractors by:

- Describing the Treasurer's investment objectives;
- Providing general guidelines for the investment of assets of the Program;
- Describing the Treasurer's long-term investment strategy;
- Describing the process of evaluating the performance of employees or contractors that provide investment management services to the Program; and
- Specifying the responsibilities of any contractors that provide investment management services to the Program.

This is the official Investment Policy Statement of the Program. Deviation from this Policy is not permitted without prior, explicit, written permission from the Treasurer.

2.0 Establishment and Authority of Entity: The Bright Directions College Savings Program has been established as part of the Illinois College Savings Pool, and is intended to qualify as a qualified tuition program in accordance with Section 529 of the Internal Revenue Code of 1986, as amended. The Program is sold through financial advisors and was established to compliment the existing Bright Start College Savings Program by allowing families to utilize a financial advisor to assist them with investing toward future college education expenses.

3.0 Participating Financial Institution: Accounts in the Program will be distributed through registered broker-dealers and financial institutions that have entered into a Selling Agent Agreement with Northern Trust Securities, Inc., acting as distributor for the Program. All new accounts in the Program will be processed through Union Bank & Trust Company ("Union Bank") as a participating financial institution. Union Bank has elected not to accept deposits in the Program as provided in Illinois Public Act 91-0607.

BRIGHT DIRECTIONS COLLEGE SAVINGS PROGRAM

INVESTMENT POLICY STATEMENT

For the year ended June 30, 2006

4.0 Investment Philosophy: The Treasurer has adopted a long-term total return strategy regarding the Program and its investments. In order to achieve the Program's objectives, investments shall be diversified so as to minimize the risk of loss. While some asset classes may experience short-term and intermediate-term volatility, their long-term return assumptions justify their inclusion. A long-term focus on investment results as well as prudent diversification across public security markets will be the primary risk control mechanisms.

In its investment strategy, the Treasurer has relied on prevailing financial theory, which currently utilizes a long-term diversified asset allocation strategy. A prudently allocated investment program possesses a significant level of diversification, which produces risk reduction. In terms of impact, diversification shall be considered along the following lines: (1) asset classes (stocks, bonds, cash, etc.), (2) geography/country, (3) industry, and (4) maturity.

Contributions to the Program will be directed to one of thirty-five underlying portfolios (the "Underlying Portfolios"), each composed of a designated mix of investments or an individual investment fund. The determination of the investment parameters of each Underlying Portfolio shall be made by the Treasurer and shall take into account the financial characteristics of the investments in the Program. The investment parameters will also give due consideration to the fact that the investment horizon for participants will vary from a few months to over 18 years.

The Treasurer will review the investment performance of each Underlying Portfolio at least quarterly and shall review this Investment Policy Statement at least annually.

The holdings of the Program and the Underlying Portfolios are divided into the following broad asset categories:

- A. Short Term Investments
- B. Fixed Income Securities
- C. Domestic Equity Securities
- D. International Equity Securities

The Treasurer will establish reasonable guidelines for each Underlying Portfolio, specifying (as applicable) limits on asset and asset class exposures, risk constraints and investment return objectives. While the investment parameters offered under the Program are developed by the Treasurer, participants bear the risk of investment results. Individual participants who seek

investments materially different from those offered may wish to select an investment alternative outside of the Program.

The administration and offering of the Program should not be relied upon as a guarantee to participants. Each participant should seek appropriate advice as he or she deems necessary.

5.0 Investment Objectives: The overall investment program for the Program and, as applicable, the individual Underlying Portfolios provided to the participants shall seek to achieve the following long-term investment objectives:

- A long-term competitive rate of return on investments that is equal to or exceeds a return of the applicable benchmarks shown in Section 7.0 hereof.
- An investment program flexible enough to meet the needs of participants based upon their age or investment objective and which provides each individual with the ability to invest in a diversified portfolio to meet his or her long-term investment goals.

6.0 Investment Responsibilities: The Treasurer is responsible for the investment policy, the direction of investments and administration of the assets of the Program. In order to properly carry out her responsibilities, the Treasurer may rely on one or more contractors to assist in the administration of the Program. The Treasurer has engaged, and plans to rely heavily on Union Bank for administrative services and on Union Bank and its consultant, Wilshire Associates, Inc., for investment management services. Among the current responsibilities of Union Bank is the implementation of the investment strategy outlined in this Policy and the rebalancing of the Underlying Portfolios when market movement and/or cash flows cause an asset class to be outside its policy allocation bands. With the Treasurer's approval, Union Bank has retained Wilshire Associates, Inc. to provide it with portfolio design, due diligence and ongoing monitoring services with respect to the Underlying Portfolios and the implementation of the investment strategy outlined in this policy. The Treasurer's Office and Union Bank shall meet quarterly to review portfolio performance as compared to the applicable benchmarks and peer group performance.

In managing the investments of the Program and the Underlying Portfolios, Union Bank agrees that it will act with the skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like objectives.

7.0 Investment Parameters: Contributions will be invested in one of thirty-five Underlying Portfolios, each composed of a designated mix of investments or an individual investment fund, which is appropriate for the age of the participant or the investment objective of the Portfolio. Each Underlying Portfolio allocates assets among domestic equity securities, international equity securities, fixed-income securities and money market investments. The asset allocation of each Underlying Portfolio will be established by the Treasurer and managed by Union Bank. The Treasurer may adjust the weighting in stocks, bonds and cash in each Underlying Portfolio and may change the mutual funds within the Underlying Portfolios consistent with this Investment Policy Statement.

Re: Selling Agent Agreement

Dear _____:

Northern Trust Securities, Inc. (“Northern Trust” or “we”), hereby invites you to become a Selling Agent for certain Accounts in the Illinois College Savings Pool, in accordance with and subject to the terms of this Selling Agent Agreement (the “Agreement”).

1. Description of the Illinois College Savings Pool Advisor-Sold Plan

(a) The Illinois College Savings Pool (the “Pool”) was created by the Illinois legislature in Illinois Public Act 91-0607 (the “Illinois Act”) to operate as a qualified tuition program pursuant to Section 529 of the Internal Revenue Code. Persons participating (“Participants”) in the Illinois College Savings Pool Advisor-Sold Plan (the “Bright Directions College Savings Program”) will enter into Participation Agreements which allow Participants to make cash contributions on behalf of a designated beneficiary for purposes of saving for college education expenses. A Participant retains ownership of all contributions made under a Participation Agreement up to the date of utilization for payment of higher education costs for the designated beneficiary. All income derived from the investment of such contributions is held in trust for the benefit of the beneficiary.

(b) The Illinois State Treasurer (the “Treasurer”) is authorized to administer the Pool and to offer for sale interests in the Bright Directions College Savings Program. The Treasurer has approved the creation of Accounts in the Bright Directions College Savings Program (the “Accounts”) pursuant to the terms of a Participation Agreement (“Participation Agreement”). The Accounts are described in the Bright Directions College Savings Program Program Disclosure Statement (the “Disclosure Statement”).

[Name]

[Date]

(c) Union Bank & Trust Company (“Union Bank”) has entered into a Services Agreement under which it has agreed to provide assistance with respect to the administration, sale and marketing of interests in the Bright Directions College Savings Program. Union Bank has entered into a Distribution Agreement with us (the “Distribution Agreement”) under which we have agreed to act as distributor in connection with the sale of the Accounts.

(d) The contribution by a Participant under a Participation Agreement establishes an “Account” for the benefit of a designated beneficiary. Such an Account, when opened, constitutes an interest in the Bright Directions College Savings Program. Accounts may be established by Participants under one of several Fee Structures (e.g., A, C, E or F), as described in the Participation Agreement and Disclosure Statement.

By your acceptance hereof, you agree to all of the following terms and conditions:

2. Manner of Offering

(a) Account Value. The terms and conditions of the Bright Directions College Savings Program and the Participation Agreement are set forth in the Disclosure Statement. A Participant’s net contributions to an Account are equal to the amount of cash paid by a Participant, less any sales charges under the applicable Fee Structure as described in the Disclosure Statement. You agree that you will offer or establish Accounts only with a Fee Structure as described in the most current Disclosure Statement.

(b) Sales Commission. Northern Trust, or Union Bank on our behalf, will pay you a sales commission based upon the Fee Structure for Accounts established by your customers and through orders accepted from you. The portion of the sales commission amount set forth in the Disclosure Statement that will be reallocated to you for each Fee Structure is set forth in “Exhibit A,” attached hereto. No sales commission will be paid for Accounts established under Fee Structure E or F. Sales commissions will be paid monthly, and payments will be accompanied by a summary statement showing Account activity for your customers. In determining the amount of any commission payable to you hereunder, we reserve the right to exclude any Accounts that either we or Union Bank reasonably determine are not established in accordance with the terms of the applicable Disclosure Statement and the provisions of this Agreement. We and Union Bank reserve the right to revise, upon ten days’ written notice to you, the commission payable with respect to Accounts. Your attention is specifically called to the fact that each Account established or contribution to an Account by your customers is always made subject to confirmation by us or Union Bank, on behalf of the Bright Directions College Savings Program.

(c) Service Fee. If you meet the qualification requirements and perform the services set forth below in Paragraph 4, for certain Fee Structures you will be paid a quarterly service fee at the annual rates set forth on “Exhibit A” attached hereto (the “Service Fee”), based on the aggregate average fair market value of assets of your customers invested in the Bright Directions College Savings Program for which you are the firm of record and which are serviced by a representative of your organization meeting the Representative Requirements in Paragraph 4, if any. The Service Fee will be paid by the Bright Directions College Savings Program through Union Bank on our behalf solely from the assets of each Account, provided that in order to

receive a Service Fee for a particular quarter, the Service Fee must be at least \$50. No Service Fee will be paid for Accounts established under Fee Structure F. The Treasurer retains the right to change the Disclosure Statement at any time and may modify the Service Fee payable under each Fee Structure on thirty (30) days written notice. You agree to use only the most current Disclosure Statement in connection with the establishment of Accounts for your customers.

(d) Other Illinois College Savings Pool Programs. You acknowledge that the Treasurer may offer accounts in the Pool by means of the Bright Start College Savings Program (the "Alternate Program"). This Agreement does not cover accounts established in the Alternate Program, or assets of your customers invested in the Pool as a result of your customers' establishment of accounts through the Alternate Program. You acknowledge that, in the event one of your customers establishes an account under the Alternate Program, you will not be entitled to any compensation under this Agreement in connection with the establishment of such an account or the assets invested in the Alternate Program as a result thereof, and that neither we, the Treasurer, Union Bank nor the Bright Directions College Savings Program shall have any responsibility or liability to you in the event one of your customers chooses to establish an Account through the Alternate Program. Without limiting the foregoing, neither we, the Treasurer, Union Bank nor the Bright Directions College Savings Program shall have any responsibility to inquire or determine whether a person who establishes an Account with us made use of your services prior thereto.

(e) Delivery of Disclosure Statement. We will, upon request, deliver to you such number of copies of the Disclosure Statement and of supplementary sales or disclosure materials prepared for the Bright Directions College Savings Program, by Union Bank or by us as you may reasonably request. Such delivery may be of printed materials by mail or of documents in electronic form that will be downloaded and printed by you. Neither you nor any other person is authorized to give any information or to make any representations other than those contained in the Disclosure Statement or in such supplementary materials. You shall not furnish or cause to be furnished to any person, display or publish any information or materials relating to the Bright Directions College Savings Program or the Accounts (including without limitation, promotional materials and sales literature, advertisements, press releases, announcements, statements, posters, signs or other similar material), except such information as may be furnished to you by us, and such other information and materials as may be approved in writing by us.

(f) Selling Agent Covenants. You hereby agree:

(i) that you will deliver or cause to be delivered to each customer, at or prior to the time a customer establishes and makes contributions to an Account, a copy of the then-current Disclosure Statement unless such customer has acknowledged prior receipt of such Disclosure Statement. Without limiting the foregoing, you hereby agree that you will deliver or cause to be delivered to each customer a copy of the then-current Disclosure Statement applicable to Accounts at such time as such delivery is required under the Rules of the Municipal Securities Rulemaking Board ("MSRB") and SEC Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), each as in effect or otherwise applicable at the time of each sale, and other applicable securities laws and regulations. You also agree that you will at all times comply with any SEC, MSRB or other rules relating to information provision or

disclosure obligations as then in existence, including but not limited to information required to be provided at the point of sale or at confirmation;

(ii) to transmit to Union Bank promptly upon receipt any and all orders received by you, it being understood that no conditional orders will be accepted;

(iii) to remit to Union Bank, or cause Union Bank to receive, the contributions made to Accounts by your customer, plus any sales commission in accordance with the Disclosure Statement. Should contributions be made by bank check, establishment of Accounts may be delayed pending clearance of the check. In the event a check is dishonored for any reason, the Participant will remain liable for the contribution amount and any loss incurred by us, Union Bank or the Bright Directions College Savings Program. In addition, should payment be made by means of a second or third party check, the Participant will be deemed to have made all presentment, transfer and other applicable warranties set forth in the Uniform Commercial Code, and in the event such check is either dishonored or subsequently determined to be invalid for any reason (including without limitation as a result of such check having been lost, stolen or unauthorized), the Participant shall remain liable for the contribution amount and any loss incurred by the Bright Directions College Savings Program or the Treasurer;

(iv) not to commence offering the Accounts to customers until we have advised you that it is permissible to commence such offering;

(v) that in offering and selling the Accounts to your customers, you will comply with the suitability requirements of MSRB Rule G-19.
