

NOTICE OF BID REJECTION

Solicitation: Invitation for Bid Parking Services, 370-800-22-018 (“IFB”)

Reason for Rejection: Section III.C of the IFB required that the Contractor “Provide all Services within walking distance of 555 W. Monroe, which is defined as being bounded no further than Interstate 90 to the west, Washington Street to the north, Franklin Street to the east, and Van Buren Street to the south.” The Office of the State Treasurer (“Treasurer”) received one Bid in response to this IFB and that Bid included a location for Services that fell outside that area; specifically, outside the east boundary of Franklin Street. Accordingly, the Treasurer has determined that the Respondent is not “capable in all respects of performing fully the contract requirements” and the Treasurer therefore rejects the bid.

This notice is hereby provided pursuant to 44 Ill. Admin. Code §1400.2520.
