A: INB, the Treasurer's custodian for ePAY settlement account(s), for no additional fee, automatically transfers any funds over your target balance (see below) to your Illinois Funds investment account(s) at USBFS at 10:30 a.m. daily.

In addition to this automatic transfer, you have the ability to move funds from your ePAY settlement account into your Illinois Funds investment account at any time by initiating an ACH or wire transfer with USBFS to your ePAY account at INB. Please note, there is a minimum wire amount requirement of \$100 and wire transfers into your ePAY settlement account at INB will incur an \$8 incoming wire fee. Please note there is also a \$.10 credit fee per transaction for any credits into your ePAY account.

**Q: What is my "INB Target Balance"?**

A: The "Target Balance" is an amount that you choose between \$1,000 and \$250,000. The \$1,000 minimum is meant to help mitigate overdrafts on your ePAY settlement account from chargeback/reversal activity. The \$250,000 maximum was set because INB is not pledging collateral to ePAY accounts beyond this amount. However, there will be no fee for going below your target balance.

**Q: Can I change my INB Target Balance?**

A: Yes. If you are the authorized signer on the account please contact us at (855) 226-7337.

**Q: What types of transactions are allowed through my ePAY settlement account at INB?**

A: Monies can be deposited or withdrawn by the ePAY processor or U.S. Bank Fund Services. ePAY settlement accounts at INB are exclusive to the ePAY program and cannot be used by a transactional account therefore no other third party entity can initiate any transactions.

- ePAY settlement accounts do not have check writing, ACH origination or wire origination capabilities
- Any non-ePAY related ACH debit activity should be redirected to a local banking account of your choosing. Debits from third party integrators will be allowed as long as they are linked to an ePAY payment service. The fee for this allowance is an additional \$10/month per account. For this you will need to contact INB at [INBtreasuryservices@illinoisnationalbank.com](mailto:INBtreasuryservices@illinoisnationalbank.com) or (217)747-8636 and they will provide you a form to submit for review and approval.

**Q: Can I link multiple ePAY accounts to a single Illinois Funds investment account at USBFS?**
